sako s20

THE RIFLE THAT IS YOU

The new Sako S20 is the first true hybrid rifle, the one that both hunters and precision shooters can embrace. It's designed for active shooters who want to take and stay in control in every situation. The modular structure adapts to changing lifestyles, making S20 a truly future-proof bolt action rifle.

## ERGONOMIC HUNTING STOCK

*Accuracy without compromising comfort*

The S20 hunting stock was designed with ultimate shooting comfort and ergonomics in mind. Having the best, most ergonomic grip on your rifle improves accuracy without compromising comfort. In an intense hunting situation, this can be the deciding factor between success and failure.

ADJUSTABLE TRIGGER POSITION  
AND WEIGHT OF PULL

ADJUSTABLE  
CHEEK PIECE

ADJUSTABLE  
LENGTH OF PULL

### QD SLING PLACEMENTS

The QD sling placements on both sides of the stock enable fast and easy attachment of the sling, improving rifle handling.

### THUMBHOLE-STYLE PISTOL GRIP

The thumbhole-style design suits all hand sizes. It's made of high-quality soft, leather-like synthetic materials that provide the optimal grip in all situations.

**sako s20**

## TACTICAL PRECISION STOCK

*Great modularity, unparalleled ergonomics*

The S20 precision stock was created specifically for long distance and precision shooters. To ensure maximised control, accuracy and comfort, its features can be easily adjusted to your needs and complemented by multiple accessories via M-LOK placements.

ADJUSTABLE TRIGGER POSITION  
AND WEIGHT OF PULL

ADJUSTABLE  
CHEEK PIECE

ADJUSTABLE RECOIL PAD  
LENGTH AND HEIGHT

### M-LOK PLACEMENTS

The forend has integrated M-LOK placements on both sides (one on either side) and on the bottom (3+1).

### THUMB REST

Enables the use of the non-trigger hand as support under the stock.

ALL FEATURES OF SAKO S20 WERE DESIGNED TO DELIVER SMOOTH SUB MOA ACCURACY FOR BOTH HUNTERS AND PRECISION SHOOTERS ALIKE.
